

Poetry contest about women

A woman is her name,
a responsibility is her blame.
A love is in her soul
and this is her life goal.

Don't never make her feel bad
because this will be your fault.
You are all she has
and that is not a mess.

Be careful with your acts
or you'll make her sad.
Her name is mother
and she is more than father.
I love you to the moon and back
and I can't live with your lack.

Petar

She is the strongest person I know,
I know for sure she'll never let me go.
Sometimes, when I'm feeling low,
When my thoughts go to and fro,
She's always here to pick me up,
Soothe my pain and gives me a hug.

Lara

Your love has never fallen short.
You have been my only support.
Life doesn't come with a manual,
it comes with a mother.

Mother's Love

It's a love that is strong
and it's lasting long.
It goes very deep
and it's cheap.

Just give her a smile
and love is endless while
You could always go to her
and won't blur.

Mother

Everyday I see you –
sometimes you cook stew
or you teach me something new...
And yet it just hits me out of the blue
that you may not even have a clue
how often I think I knew
something was true

but you could always see through.

Everyday I wish

I could cook you a dish.

Everyday I desire

I could make you smile brighter.

Everyday I long

I could be as strong.

Everyday I seek

A way to show you my love is so deep.

So I just give you this rose.

I hope you know what it shows.

My future love

I don't know you yet

but I know

I will meet you somewhere.

Maybe in a rainy day.

Maybe in a sunny day.

I won't recognize you

but you will.

So please take my hand

and let's walk together.

The Freedom of Women

Women live in house
with her husband
and with her daughter.
They live in hell!
Her husband is like Evil,
and her daughter is like an Angel.
Her daughter wants to protect her
but Evil always wins.
And when God sees.
It comes to this hell.
God makes her Angel,
and God turns Evil to ashes.

Efe

I am lost in the sea.
I will be lost forever.
I lose myself because
I was looking for
the perfect woman.
And now, when I am lost
I realize that the perfect
woman was always with me.
The perfect woman is
my lovely mother.

Women

Givers of life,
Nurturers of mind,
Body and soul,
You are the strength,
You are the power,
In our world,
Do not forget,
That without you,
There is no growth.
